**Two students, a boy and a girl, from each sponsored middle school will attend LEAD as Delegates.** Your Rotary Club may select one or more nearby middle schools to sponsor in order to maximize diversity and insure participation from all areas of District 5340. If you sponsor an Interact Club, please sponsor a middle school that sends students to the high school where your Interact club is located in order to establish a relationship with the students and encourage them to participate in Interact upon graduation to high school.

Each Rotary Club in District 5340 is asked to sponsor a pair of Delegates from one middle school. Rotary Clubs that are financially able may sponsor more than one middle school and may sponsor one or more Rotarian Facilitators (Rotarian leaders who work with the Delegates at LEAD) from their Rotary Club.
